

Footprints that last a lifetime!

30 October 2025

# Half term newsletter

What a joyful and exciting first half of the term we have experienced!

We started off the term revelling in our newly renovated, beautiful Pre-Primary and the always colourful Early Learning Centre. We have enjoyed the sights and sounds of the children playing and learning in our colourful, 'new' Spring gardens and the Grow Garden.

Our Pre-Primary swimming coaches are hard at work with our Learn to Swim programme and the pool is a balmy 32 degrees.

Our new Pre-Primary playgrounds are a huge hit with the children and their gross motor skills are developing exponentially.

Our new Library and Cubs class are nearly completed, as too are the renovations to the remaining classrooms and bathrooms. Special thanks need to go out to the teachers and our support staff for being so flexible and accommodating during this time.

Our mums and teachers thoroughly enjoyed the Fleming Mother's Lunch which was so beautifully organised by Charlie, Natalie, Sarah and Sam, thank you ladies!

Thanks too, to all our parents for the delicious treats and beautiful Heritage Day costumes, we are so appreciative. One of the children told me it was "The best day ever!"

Fleming's annual Pre-Primary concert really was 'Out of this World!' The children certainly rose to the occasion, and we were all so proud of them. The teachers, including our masterful Music teacher, Hastings, and our support staff ensured that the performance ran without a hitch. The confidence and joy that our three- to five-year-olds exhibited on stage, in such a big hall, was so rewarding. Thank you to all our families for your enthusiastic attendance and lovely feedback.

★ We look forward to our Orientation get-together on 5 November, at 14h30. **This is for the 2026 Bushbabies, Cubs and Elephants classes only.** All other classes will visit their new classes and teachers, during school time.

★ The Early Learning Centre is gearing up for their concerts on 12, 13 and 14 November. We look forward to seeing our littlest ones in action, and hosting parents for tea afterwards.

The teachers are in the throes of their final assessments and writing their reports. Your child's report will be sent home on Thursday 27 Nov, whereafter the class teachers will be busy with their class handovers, in preparation for 2026.

The PP and ELC children will have their Christmas parties during school on Friday 28 November.

★ Due to our ongoing renovations, the PP teachers and I have decided rather to celebrate Christmas carols with our children and Santa on 3 December. Next year we look forward to inviting you all to our Christmas picnic. Watch this space!

★ \*Please note, as per the calendar, that there won't be any extra murals or Aftercare during the last two weeks of term.

★ School breaks up on Friday 5 December, for both schools.

My team and I look forward to sharing the rest of Term 3 with you all!

Warm wishes,

Sally Knowles: Principal
