Footprints that last a lifetime!

19 January 2026

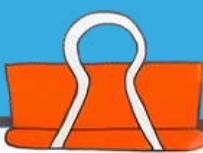

Welcome to Fleming Pre-Primary & Early Learning Centre 2026!

We're thrilled to welcome you all to what promises to be a wonderful year! A special welcome to our new families joining the Fleming community, and a warm welcome back to our returning parents and our incredible staff team.

40th

celebrating 2026

This year is particularly special as we celebrate two exciting milestones: the coming together of both Fleming schools on one campus, and our school's 40th birthday! We're also delighted to have completed our brand new Hippos classroom – we can't wait for you to see it.

We're looking forward to connecting with you at our parent information cocktail parties on the 22nd and 29th January.

Extramurals kick off on the 2nd February, and don't miss our parent talk, *The Modern Child: How to Nurture Children for Academic Success*, on the 5th February.

Please consult your calendar booklet for times and details of all forthcoming events throughout the term.

Grow garden!

Parent Education Corner

Promoting Numeracy at Home

- Numeracy develops best through everyday play and routines.
- You can support your child by counting objects together during daily activities, such as steps, toys, or fruit at snack time.
- Use simple maths language like more, less, and same, and encourage your child to guess how many before counting.
- Board games, puzzles, and helping with small tasks like setting the table all build early number understanding in a fun, pressure-free way.

$$+ 5 = 1$$
$$8 + 1 = 9$$
$$+ 9 = 6 = 5$$

This Term's Outreach

This term, our outreach initiative supports the SPCA. We'll be collecting donations for the animals during the week of 2nd February - all contributions gratefully received!

**A SMALL
DONATION
MAKES A
DIFFERENCE**

Here's to a fantastic year ahead filled with learning, laughter, and wonderful memories.

Warm regards, The Fleming Pre-Primary & Early Learning Centre Team
